Abstract: This request is for renewal of OMB approval to collect data necessary for the *Charter Schools Program (CSP) Grant Award Database*. The CSP is authorized under Title V, Part B, Subpart I, Sections 5201 through 5211 of the Elementary and Secondary Act (ESEA) of 1965, as amended by the No Child Left Behind Act of 2001. Under Title V, Part B, Section 5205 of the ESEA, the Secretary reserves CSP funds to carry out national activities to provide charter schools with information, to evaluate and study charter schools, and to provide other types of technical assistance. This data collection is coordinated with the ED*Facts* initiative to reduce respondent burden and fully utilize data submitted by States and available to the U.S. Department of Education (ED) through the Education Data Exchange Network (EDEN). Under the current data collection, ED collects CSP grant award information from grantees (State agencies and some schools) for a database of current CSP-funded charter schools and award amounts; ED merges performance information extracted from the EDEN database with the database of CSP-funded charter schools. Together, these data allow ED to monitor CSP grant performance and analyze data related to accountability for academic performance, financial integrity, and program effectiveness.
